

A simple guide to

SUPPORT AT HOME

1

GOVERNMENT ASSESSMENT & FUNDING LEVELS

When you register with My Aged Care, the Government will assess your needs. If eligible, you will receive one of **8 levels of funding**.

Level 1
\$10,698

Level 2
\$15,982

Level 6
\$47,957

Level 7
\$58,122

Level 8
\$77,709

Service Category	Services Included
Clinical Supports	• Nursing care • Allied health • Nutrition
Independence	• Personal care • Social support, transport • Respite
Everyday Living	• Domestic assistance • Home maintenance and repairs • Meals

2

FIND YOUR HOME CARE PROVIDER

When the funding arrives, you will find a **Home Care Provider** to help you get the care that you need and manage your program.

3

SUPPORT PLAN CREATION

A Support Plan will be created to determine what services you will receive. Services fall under **3 categories**.

4

QUARTERLY FUNDING ALLOCATION

Funding will be allocated on a **quarterly** basis.

Q1 Jan - Mar
\$3,995.42

Q2 Apr - June
\$3,995.42

Q3 July - Sept
\$3,995.42

Q4 Oct - Dec
\$3,995.42

Example based on Support at Home Level 2 funding as at 1/09/2025.

5

BUDGET BREAKDOWN & CONTRIBUTIONS

10% of funding is set aside for **Care Management**.

You may pay **contribution fees** based on service categories and income assessment.

You will also be asked to undertake an **income test assessment**. If you earn above a certain income threshold, you will make a higher contribution rate.

Level 8 Funding Example (Annual funding \$77,709)

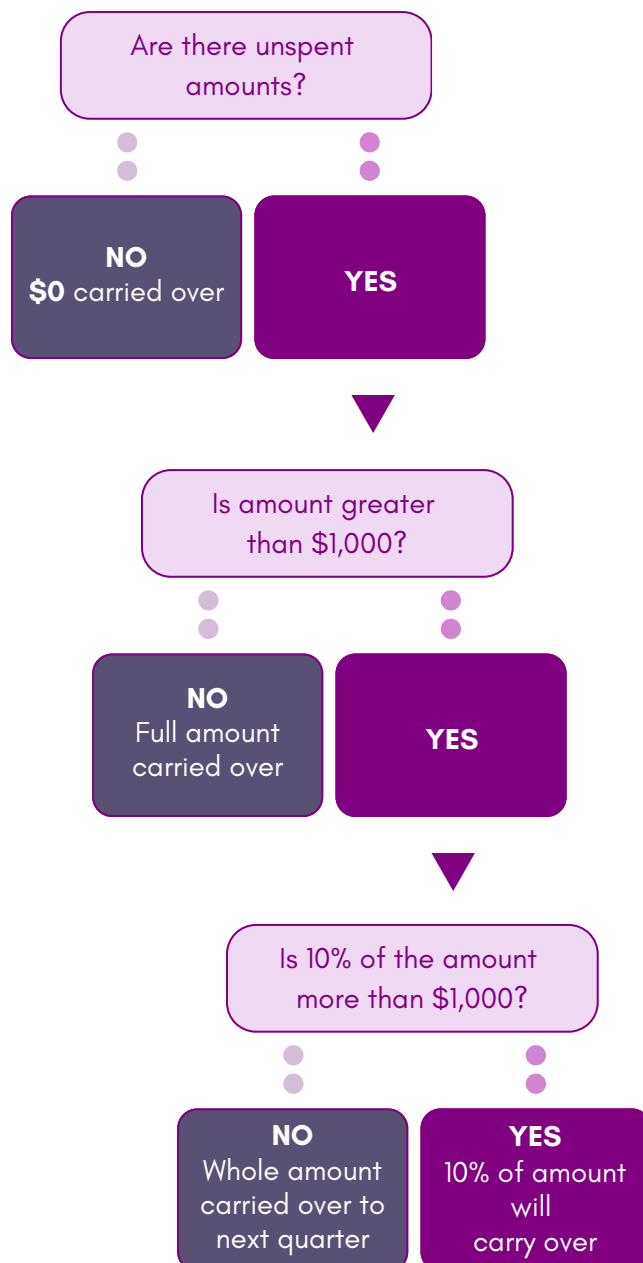

Quarterly Government Funding	\$19,427
Less 10% for Provider Care Management	\$1,943
Remaining to spend for 3 months	\$17,484

Service Category	Government Contribution	Your Contribution
Clinical Supports	\$8,000	\$0
Independence	\$4,750	\$250
Everyday Living	\$3,300	\$700
Surplus	\$1,434	

6

QUARTERLY ROLLOVER CALCULATION

Every 3 months, \$1,000 or 10% of unspent funds (whichever is higher) will roll over to the next quarter.

Example Scenarios

- \$800 unspent → \$800 rolls over
- \$1,434 unspent → \$1,000 rolls over
- \$11,000 unspent → \$1,100 rolls over (10%)
